

Transportation Advisory Committee

Agenda Item Summary

August 23, 2006

ACTION ITEMS

1. **Approve Minutes of July 26, 2006** – N/A
2. **Reports, Concerns, and Discussion from MPO Area Towns** – N/A
3. **Citizen Comments** – N/A

BUSINESS ITEMS / POTENTIAL ACTION ITEMS

1. **GTA Update**– Libby James will give an update on the findings from the Budget Review Task Force and next steps for implementing the recommendations. An update on the new HEAT (Higher Education Area Transit) service which began on August 8th will also be given.
2. **BiPed Plan Update**- MPO staff will provide an update on the draft document for the MPO Bicycle, Pedestrian, and Greenways (BiPed) Plan. The draft document will be released for public review in early September.
3. **Proposed Thoroughfare Plan Amendment**- MPO staff will present recommendations for amendments to the Thoroughfare Plan for future TCC/TAC action. The proposed amendments include refinement of the proposed Florida Street Extension as well as the addition or deletion of specific roadway extensions and classifications. The refinements are based on recommendations from a feasibility study done for the extensions of Youngs Mill Road and Florida Street. The thoroughfare plan amendment will be released for public review on August 24th.
4. **Battleground Corridor Study Update**– MPO staff will provide an update on the project planning alternatives study for Battleground Avenue from Green Valley Road to Fernwood Drive.
5. **Project Updates** – MPO staff will provide updates on area projects.
6. **MPO Strategic Reports** – Brief updates on current planning topics will be provided.
